**MISSION:** The association is focused on creating and sustaining a global network of connected alumni, which call others in support of Friends Theological College.

### AIMS:

- ✓ To create a neutral ground for assessing the impact, and improving on communication among the alumni and friends.
- ✓ To ensure proper coordination that will enhance mission work and church growth.
- ✓ To identify a project in the college, fundraise for it, and invest in it to completion.
- ✓ To act as the mouthpiece of the college on informing the church on the need to sponsor and train its ministers -the importance of theological training in Africa.
- ✓ To create a channel that will enable the college to receive feedback from the alumni that can help the college develop its programs and curriculum.
